

YOUR COURIER SOLUTIONS

Medical & Lab Specimens

Mail & Documents

Packages & Supplies

Recycling & Textiles

MISSION-READY | TIME-SENSITIVE | RELIABLE DELIVERY

CORE CAPABILITIES

Medical & Laboratory Courier - Primary Focus

- Scheduled and on-demand pickup and delivery between laboratories, clinics, hospitals and designated facilities
- Time-sensitive transportation of laboratory specimens in customer-provided or contract-required compliant transport packaging
- Medical records, documents, supplies and other light medical courier items
- Point-to-point and recurring route support for healthcare and government customers
- Expedited local and regional courier service within operational capacity

Government Courier & Delivery

- Government mail, records, documents, parcels and small-package delivery
- Scheduled routes, recurring pickups, same-day and time-sensitive deliveries
- Secure enclosed vehicle transport for approved light-cargo requirements

Collection & Transportation

- Clothing and textile recycling pickup and transport
- Recycling-bin pickup and recyclable-material transportation within vehicle capacity
- Delivery to customer-designated receiving, recycling or processing locations

OPERATIONAL CAPACITY

- 72+ cu. ft. of enclosed cargo capacity for approved medical, laboratory, courier, and light-cargo requirements
- Enclosed cargo area plus additional front storage for approved items
- Zero-emission delivery vehicle suited to documents, specimens in compliant containers, parcels, supplies, textiles and other light cargo
- Owner-managed operations with direct oversight of scheduling, customer communication and contract performance

DIFFERENTIATORS

- SBA-certified Service-Disabled Veteran-Owned Small Business (SDVOSB) and Veteran-Owned Small Business (VOSB)
- 100% veteran-owned and owner-managed
- Military and federal-sector leadership experience supporting disciplined, accountable operations
- Primary focus on responsive, time-sensitive medical and laboratory courier requirements
- Flexible light-cargo configuration with 72+ cu. ft. cargo capacity
